

Accessing Your Courses in Buzz

Students are not able to access courses through Maestro or the new student information system (SIS) from July 28 through Aug 4. To access your courses, you will have to log directly into Buzz. (Guardians and school administrators will not have access Maestro or the new SIS during this time.)

Logging Directly into Buzz

- 1) To access Buzz, go to <https://sevenstar.agilixbuzz.com>.
- 2) Enter your username and password.

(Your username and password, as a student or teacher, will be the same as what you used to log into Maestro.)

- 3) Select Login.

***NOTE: If you have already signed up for a new account in *My Course Portal*, you must use your new login credentials. You will set your username (which will be your email address) and password during the sign-up process.**

Need Further Assistance?

If you need assistance with your login credentials, or are having difficulty with Buzz, contact the Helpdesk at support@sevenstar.org or call **513-449-1743** between the hours of 8am and 5pm EST.

*NOTE: We recommend using Microsoft Edge with a Windows computer; or Firefox with a Mac, iPhone, or iPad. Also, be sure to [turn off your pop-up blocker](#) in whatever browser you use.
