Dual Credit	\$675	\$720

¹ -The above represent typical course prices, variations are noted in the online ordering site due to differing costs to Sevenstar.

² -Custom partner schools may elect to have their own instructors facilitate a course. Doing so reduces the tuition by \$100 for ½ credit and \$200 for 1 credit courses. This option is not available for dual credit courses.

This discount increases to \$113 and \$226, respectively for schools that had their own instructors facilitate at least 300 enrollments in the prior calendar year. ESL, credit recovery, and partner-designed courses do not count toward the eligibility count, nor are they further discounted.

SPECIALITY COURSE TUITION	
ELL Courses (no tutor) ¹	\$170
Credit Recovery ²	\$399

¹ -Bulk ordering discounts apply at \$10 per student when ordering 10 enrollments and \$30 per student when ordering 50.

² -Credit recovery courses are specifically designed to allow a student to retake a course he/she previously failed or to improve his/her grade. These courses provide individualized learning through pre-testing to prescribe content that must be completed to recover credit. Students have up to 10 weeks to complete coursework in this program.
